RETAIL FOOD PROTECTION - Public Eating PI (0-24 Seats)

Based on an inspection this day, the items marked below identify the violation(s) in operation or facilities which must be corrected. Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional inspection to be billed at the hourly rate as provided in the San Bernardino County Code, [Schedule of Fees](#).

Administrative Order to Show Cause (OSC): The Permittee has the right to a hearing if requested in writing within 15 calendar days of receipt of this notice, to show cause why the permit to operate should not be suspended or revoked; otherwise the right to a hearing shall be deemed waived.

See the following pages for the code sections and general requirements that correspond to each violation listed below.

16K992 Permit Reinstatement

Compliance Date: Not Specified	Inspector Comments: Permit reinstated on this day due to critical violation being rectified.
Not In Compliance	Notice of closure may be removed.
Reference - HSC	Facility may operate.

Description: The health permit to operate is hereby reinstated and facility may open.

16K994 Reinspection

Compliance Date: Not Specified	Inspector Comments: A follow up inspection was conducted via non field response on this day. Facility was closed for a sewage/waste wastewater overflow throughout the floor of the facility and the floor sinks underneath the preparation sink, between the walk-in cooler and freezer, and adjacent to the rear handwashing sink to have stagnant water during a routine inspection on 5/20/26. On this day, a Person in charge emailed multiple videos of the each of four floor sink being tested with buckets of water, Observed all floor sinks draining as intended.
Not In Compliance	Permit reinstated due critical violation being rectified.
Reference - HSC	Notice of closure may be removed.
	A in person follow up inspection will be conducted on later in the day 5/22 or later.

Description: Reinspection conducted at this time to determine compliance from prior inspection.

Overall Inspection Comments

A follow up inspection was conducted via non field response on this day.
